In the Matter of
Houston Lighting & Power Company
(Allens Creek Nuclear Generating Station, Unit 1)
Docket No. 50-466

Gentlemen:

On December 3, 1979, I filed a "MOTION TO COMPEL ANSWERS to Interrogatories (4 dates) from STAFF". I withdraw the motion.

I have received a letter and response from Staff Counsel advising that the subject interrogatories were reasonably delayed because of an oral agreement between this Intervenor and the Staff.

While I had no recall of the agreement at the time I filed the motion, I believe Mr. Sohinki is certain to be correct in this matter.

Although Staff has indicated the motion is moot, I wish to draw to your attention that I believe the motion is erroneous. I therefore request it be noted as withdrawn and not merely mooted. By doing this, I believe my error will come closer to being rectified.

I expect to call Mr. Sohinki this week, at which time we will iron out other details.

Respectfully submitted,

John F. Doherty
