Docket No. 50-336  
File RI-90-A-0108

[REDACTED]  
Dear [REDACTED]

Subject: Concerns You Raised to the NRC Regarding Millstone Nuclear Power  
Station Unit 2

This refers to your conversation with Mr. Peter Habighorst on June 19, 1990, in which you expressed concerns related to Northeast Nuclear Energy Company counsel's Notice of Deposition [REDACTED]. Specifically, you questioned the legality of having to testify about your communications and/or contacts with the NRC, or any other agency concerning or relating to your employment.

In this particular case, based on information provided, we have informed the licensee that we have concerns with the scope of discovery. See copy of attached letter.

Concerning the deposition [REDACTED] we understand that you did not provide to the counsel for Northeast Nuclear Energy Company any information concerning your communications and/or contacts with the NRC. Consequently, as we have informed the licensee of the seriousness with which we view such matters, we consider this matter closed.

If you have any additional questions, please call me collect at (215) 337-5120.

Sincerely,

Donald R. Haverkamp, Chief  
Reactor Projects Section 4A  
Division of Reactor Projects
