FOIA-85-82  
Rec'd 2-5-85

Dear Sir/Madam:

In reference to the Freedom of Information Act, I would like to request that a particular document be placed in the Public Document Room under my name. The item is the general procedures that are in use within the Regions for Screening and assessing allegations related to operating license application reviews.

These procedures were furnished to the Commission by a memorandum from the Executive Director for Operations dated October 28, 1983, and are referenced in the enclosure to SECY-84-26, "Staff Processing of Allegations Involving Application for Operating Licenses" dated January 20, 1984.

Your prompt attention in this matter is very much appreciated.

Sincerely,

*David W. Meyer*
