

Docket Nos: 50-373/374

JUL 12 1985

Mr. Dennis L. Farrar  
Director of Licensing  
Commonwealth Edison Company  
P.O. Box 767  
Chicago, Illinois 60690

Dear Mr. Farrar:

SUBJECT: SAFETY EVALUATION, GENERIC LETTER 83-28 ITEM 1.1 (POST TRIP REVIEW)-  
LA SALLE COUNTY STATION, UNITS 1 & 2

By letter dated April 22, 1985, we provided a draft Safety Evaluation (SE) based on your November 5, 1983 submittal. We indicated in our draft SE that you had not defined the criteria for the need of independent assessment of the event following a trip or described a systematic safety assessment program to assess unscheduled reactor trips. By letter dated June 5, 1985, you provided a response to our concerns.

We have reviewed your response and have concluded, based on our review, that your item 1.1, "Post-Trip Review Program", for La Salle County Station, Units 1 & 2, is acceptable. Our revised SE which provides the details of our evaluation is enclosed.

Sincerely,

Walter R. Butler, Chief  
Licensing Branch No. 2  
Division of Licensing

Enclosure: As stated
