Dear Ms. Garde, Mr. Guild, Ms. Stephens:

This is to acknowledge receipt of your petition filed with the Commission on May 15, 1985 and an amendment thereto dated May 31, 1985, requesting certain actions regarding the Wolf Creek facility pursuant to 10 CFR 2.206. As is the usual practice, your petition has been referred to the staff for action. Accordingly, appropriate action will be taken within a reasonable time.

Based upon our preliminary review of your petition and the results of the recent staff inspection of the "Quality First" program files at the Wolf Creek site during the week of May 26, 1985, I have concluded that the matters identified in your petition do not require any immediate action to protect the health and safety of the public. Accordingly, I have issued a full power license for Wolf Creek on June 4, 1985. Appropriate action on your petition will be taken within a reasonable time.

Enclosed for your information is a copy of a notice that will be sent to the Office of the Federal Register for publication.

Sincerely,  
~~Original Signed by~~
