Midway Hospital
ATTN: Charles W. Frye, M.D.
Radiation Safety Officer
1700 University Avenue
St. Paul, MN 55104

Gentlemen:

Enclosed is Amendment No. 07 to your NRC License Number 22-02491-03 in accordance with your request.

Please note that several of the physicians listed in your letter have not been added to your license. Your reference to NRC License Number 22-17307-01 provided information for only the physicians we have added on this amendment.

In order to add Drs. Constantini, Langer, P.R. Kollitz, Gretsche, Hendrickson, Collins, and J. Kollitz, you will need to submit documentation of their didactic training as well as their clinical experience. Enclosed you will find Preceptor Packages which should be completed for each of the above physicians. Please note that we were unable to locate Preceptors for the above physicians under License Number 22-17307-01.

Please review your license carefully to assure that you understand and are in compliance with the terms and conditions contained therein.

Information submitted in response to this letter should state that it is additional information and not a new amendment request. If you have questions, please contact our office by dialing (312) 790-5625.

Sincerely,

Original Signed By
Patricia J. Whiston
Materials Licensing Section
