MEMORANDUM FOR: J.J. Ray, Chairman  
Advisory Committee on Reactor Safety

FROM: Karl R. Goller, Director  
Division of Facility Operations, RES

SUBJECT: EDISON ELECTRIC INSTITUTE GUIDELINES FOR RESPONDING TO  
THE FITNESS FOR DUTY RULE

The purpose of this memorandum is to provide you four (4) copies of Edison Electric Institute (EEI) guidelines for responding to the proposed final Fitness for Duty Rule (Amendment to 10 CFR 50.54). The ACRS discussed the Rule during its August 5, 1983 session, and requested in your August 9, 1983 letter to Chairman Palladino, an opportunity to review the EEI guidelines when they were available.

If you have any questions concerning the enclosed guidelines, or the Fitness for Duty Rule, please contact me or Dr. Thomas G. Ryan at 443-7942.
