Gentlemen:

This refers to your letter of November 13, 1978, requesting amendment of License No. STC-133.

In order to delete the Somerville, New Jersey location from your license, we need a copy of your "close out" radiological survey report. This report should be prepared to meet the requirements of the enclosed guide and should verify that the Somerville location is free of radioactive material and radioactive contamination to the levels shown in the guide.

When replying please refer to Control No. 11271 and provide 2 copies of the requested information.

Sincerely,

Earl G. Wright
