Re: Docket No. STN 50-482
Subj: Off Hours Emergency Organization Augmentation

Dear Mr. Martin:

In accordance with License Condition Item 2.C of Attachment 1 to Facility Operating License No. NFP-32, Kansas Gas and Electric Company successfully demonstrated Emergency Organization augmentation capabilities on May 29, 1985. During the unannounced, off hours, drill, staffing requirements stated in Table 1.1-1 of the Wolf Creek Generating Station Radiological Emergency Plan were met. This also fulfills the requirements of Inspection Report Open Item 482/8425-52.

If you have any questions concerning this matter, please contact me or Mr. Otto Maynard of my staff.

Yours very truly,

Glenn L. Koester
Vice President - Nuclear
