FREEDOM OF INFORMATION ACT REQUEST

FOIA-85-203
rec'd 03/26/85

Dear Mr. Felton,

Pursuant to the Freedom of Information Act, 5 U.S.C. 522, as amended, the Campaign for a Prosperous Georgia requests the following documents regarding the results of a law enforcement investigation at Plant Vogtle relating in part to the core cooling system. Please consider "documents" to include reports, studies, test results, correspondence, memoranda, meeting notes, meeting minutes, working papers, graphs, charts, diagrams, notes and summaries of conversations and interviews, computer records, and any other forms of written communication, including internal NRC staff memoranda.

Pursuant to this request, please provide all documents prepared or utilized by, in the possession of, or routed through the NRC including and related to:

NRC Allegation Case File RII-84-A-0145 as identified in your response to my FOIA request 84-768.

Because the Campaign for a Prosperous Georgia is a non-profit organization serving as a clearinghouse and consumer advocate regarding energy issues in Georgia and is an intervenor in the NRC operating licensing proceedings for Plant Vogtle, we believe it is appropriate for you to waive copying and search charges, pursuant to 5 USC 552 (a)(4)(a). In this case "furnishing the information can be considered as primarily benefitting the general public."

Sincerely,

Laurie Fowler
