Gentlemen:

Re: Turkey Point Units 3 and 4
Docket Nos. 50-250 and 50-251
Physical Security Plan Revision 3 Supplement
Submittal Under 10 CFR 50.54 (p)

Per letter L-92-268 dated September 21, 1992, Florida Power & Light Co. (FPL) submitted the Turkey Point Units 3 and 4 Physical Security Plan Revision 3 Supplement detailing the temporary reconfiguration of the Protected Area (PA). The temporary PA reconfiguration relocated a section of the PA barrier in the Water Treatment Area of the plant to facilitate hurricane recovery efforts. The PA was returned to its original configuration on December 16, 1992. Therefore, the Physical Security Plan Supplement should be deleted.

Very truly yours,

T. F. Plunkett
Vice President
