Docket Nos. 50-369, -370
Selected Licensee Commitments Manual (SLC)

Pursuant to 10CFR50.4 and 50.71, please find attached seven copies of the latest revision to the McGuire Selected Licensee Commitments Manual. Section 16.11 has been revised to include the revised 10CFR Part 20 regulations. The Selected Licensee Commitments Manual is Chapter 16 of the McGuire Final Safety Analysis Report. This manual contains commitments and other station issues that we believe warrant higher control, but are not appropriate for the Technical Specifications. The SLC manual is updated on an as needed basis.

Very truly yours,
