These reports are being provided for information and any internal review you deem necessary for your use in conjunction with the Safety Evaluation Report. The Westinghouse Owners Group is not requesting a formal review for which review fees would be charged. Should you or any other branch of the Nuclear Regulatory Commission determine that a formal review should be performed, the Westinghouse Owners Group Chairman must be contacted for concurrence. Failure to receive concurrence from the Westinghouse Owners Group Chairman prior to initiation of a review will result in a challenge by the Westinghouse Owners Group of any and all review fees associated with these documents.

As this submittal contains information proprietary to Westinghouse Electric Corporation, it is supported by an affidavit signed by Westinghouse, the Owner of the information. The affidavit sets forth the basis on which the information may be withheld from public disclosure by the Commission and addresses with specificity the considerations listed in paragraph (b)(4) of Section 2.790 of the Commission's regulations.

Accordingly, it is respectfully requested that the information which is proprietary be withheld from public disclosure in accordance with 10CFR Section 2.790 of the Commission's regulations.

Correspondence with respect to the proprietary aspects of the Application for Withholding or the supporting Westinghouse affidavit should reference CAW-93-396 and should be addressed to Mr. N.J. Liparulo, Manager, Nuclear Safety and Regulatory Activities, Westinghouse Electric Corporation, P.O. Box 355, Pittsburgh, PA 15230-0355.

Very truly yours,

Lawrence A. Walsh, Chairman
