Dear Sirs,

On June 21, Applicants in the above styled proceeding notified Intervenor Campaign for a Prosperous Georgia and Georgians Against Nuclear Energy that its "Preliminary Draft" Emergency Response Plan for Burke County, filed in May, is now its "final" Emergency Response Plan for Burke County and that it will not file an emergency response plan for Richmond County. The Licensing Board gave Intervenor thirty days from completion of the final Emergency Response Plans for Burke County and Richmond County to provide contentions related thereto.

Enclosed is the Intervenor's new contention relating to emergency response at Plant Vogtle.

Respectfully submitted,

Tim Johnson
for Intervenor
Campaign for a Prosperous Georgia and
