

UNITED STATES GOVERNMENT

Memorandum

TO : File

DATE: March 9, 1967

FROM : F. T. Hobbs, Assistant Secretary

SUBJECT: MR. PRICE'S FEBRUARY 28 MEMORANDUM RE NORTHERN STATES POWER COMPANY -
REQUEST FOR EXEMPTION

SECY:JCH

50-263

1. At Regulatory Information Meeting 227 on March 2, 1967, the Commissioners approved, subject to comments by Commissioner Ramey, Mr. Price's proposal to grant the exemption requested by Northern States Power Company for installation of the segment of concrete under the turbine building which would eventually be incorporated in the wall and floor of the reactor building. Details on this matter are contained in Mr. Price's February 28 memorandum.

2. We were subsequently informed on March 8, 1967, that Commissioner Ramey had no objections to Mr. Price's proposal.

3. It is our understanding the Director of Regulation is taking the required action.
