*Suppl.
Herrig*

Pursuant to clause 2.714 of the Commission's "Rules of Practice", I wish to intervene in the matter of the hearing for construction of a boiling water nuclear reactor by Northern State Power Company, Minneapolis, Minnesota.

I also request permission for Clear Air, Clear Water - Unlimited, a local citizens group concerned with matters of public health and safety, to intervene at the May 25, 1967 hearing for a construction permit to be issued to Northern States Power Company.

I would greatly appreciate a copy of Part 50, "Licensing of Production and Utilization Facilities," and Part 2, "Rules of Practice," of the regulations in Title 10, Code of Federal Regulations. In addition, I would appreciate a copy of the Atomic Energy Act of 1954, as amended, and any additional information that would assist interested citizens in complying with the established procedures of the Atomic Energy Commission and the Atomic Safety and Licensing Board.

Please send the requested material to me at the following address:

John Pegors
315 Tenth Avenue North
Hopkins, Minnesota 55343

Thanking you in advance for your courtesy in this matter, I remain

Sincerely yours,
John Pegors
