Chairman, Advisory Committee
on Reactor Safeguards
U. S. Nuclear Regulatory
Commission
Washington, D. C. 20555

Gentlemen:

One (1) copies of the following Category B documents are transmitted
for information of the Committee:

Letter from Northern States Power Company dated
July 18, 1977 transmitting Revision No. 4 to
Monticello Security Plan.

The above listed document contains privileged data that is currently being
withheld from public disclosure pursuant to 10 CFR Part 2. It should not
be discussed with persons outside NRC or the company involved and should
be stored in a manner that its contents do not become available to
unauthorized persons. If the document concerns physical security plans,
it should be returned to the Records Facilities Branch of the Division of
Document Control (Room 042 - Bethesda) when it has served the Committee's
need.

Sincerely,

Karl R. Goller

Karl R. Goller, Assistant Director
for Operating Reactors
