Dear Mr Keppler:

MONTICELLO NUCLEAR GENERATING PLANT
Docket No. 50-263 License No. DPR-22

Revision to Effluent and Waste Disposal Semiannual Reports for
January 1 - June 30, 1976 and
July 1 - December 31, 1976

On August 23, 1976 we submitted the Monticello Effluent and Waste Disposal Semiannual Report covering the period January 1, 1976 through June 30, 1976. On March 1, 1977 we submitted the Monticello Effluent and Waste Disposal Semiannual Report covering the period July 1, 1976 through December 31, 1976. We have recently discovered an error in the computer program used to calculate the release of individual noble gases from gross activity measurements for these reports.

Attached are corrected pages for the two reports. These pages should be inserted in all copies of the original reports following the instructions provided.

Yours very truly,

L O Mayer, PE
Manager of Nuclear Support Services
