Mr. Edward J. Bauser  
 Executive Director  
 Joint Committee on Atomic  
 Energy  
 Congress of the United States

Dear Mr. Bauser:

As we discussed during our phone conversation on April 21, 1969,  
 we have received a copy of the Waste Disposal Permit the Minnesota  
 Pollution Control Agency proposes to issue to the Northern States  
 Power Company for its Monticello Nuclear Generating Plant.

I am forwarding to you a copy of the Waste Disposal Permit and  
 for background information a copy of the report prepared by E. C.  
 Tsivoglou, consultant to the Minnesota Pollution Control Agency.

Sincerely,

( signed ) Harold L. Price

Harold L. Price  
 Director of Regulation
