Dr. Glenn S. Seaborg,
Chairman, United States Atomic
Energy Commission
Washington, D. C. 20545

Dear Doctor Seaborg:

The Agency has been apprised of your letter dated May 8 concerning regulation by the states of nuclear material.

The Agency during its meeting on May 12 approved a permit for the Monticello Nuclear Generating Plant, including special conditions relating to radioactive wastes.

We appreciate your courtesy in advising the Agency of the legal aspects of this matter.

Yours very truly,

J.P. Badalich
John P. Badalich, P.E.
