Gentlemen:

This refers to your recent application for a license to permic use of your Lixiscope in New Jersey. You asked whether or not a specific NRC license is required and if a license fee would be required.

We referred your application to the Licensing staff and they informed us that a specific NRC license would be required for the proposed use of the Lixiscope in New Jersey. Accordingly, an application fee of \$580 is required as specified in fee Category 7C of \$170.31 of the enclosed fee schedule. Payment of the fee should be made to the U.S. Nuclear Regulatory Commission and mailed to my attention. When sending the fee, please refer to CONTROL NUMBER 18360.

Let me know if you have additional questions concerning the fee.

Sincerely,
