Dear Mr. Lewis:

Per our telephone conversation of January 17, 1984, I have enclosed copies of all interviews conducted during the course of the recent inquiry in OIA/Zimmer. A list of those interviews is also attached. At the present time, none of the transcripts have been released under the Freedom of Information Act. However, several transcripts have been provided to the non-NRC employee interviewees and the McCarten interview is currently undergoing review under FOIA for the purpose of a partial release. Also, GAP has a FOIA request for all documents, including the interviews, generated by the OIA/Zimmer inquiry. Until the GAP request is processed, please treat the transcripts as confidential NRC documents.

Sincerely,

A handwritten signature in dark ink, appearing to read "C. Sebastian Aloom".
