Attention: Mr. Howard E. Kremers
Technical Assistant to the President

Gentlemen:

This refers to your letter of July 12, 1957, in connection with your request for a temporary exemption until September 1, 1957, from the requirements of Sections 20.101(b) and 20.403(c), 10 CFR 20, insofar as these provisions of the regulation apply to your source material operations.

We have been informed by your Mr. Murray that you have completed the installation of the equipment and ventilation systems mentioned in your letter, and that you believe your operations now are in substantial compliance with the AEC regulations. Accordingly, we have referred this matter to the Commission's Division of Inspection. We understand that they plan to schedule an inspection of your program in the near future. They will communicate with you concerning this matter.

Sincerely yours,

H. L. Price
Director
Division of Civilian Application
