Attention: Mr. G. Sinko  
Safety Engineer

Gentlemen:

Thank you for your letter of September 5, 1963, reporting pursuant to 10 CFR 20.405 the exposure of one of your employees to radiation in excess of the limits specified in 10 CFR 20.101(a).

All reports required by licenses, regulations or orders and filed by a licensee after September 1, 1963, are included in the Commission's public records. Attached is a copy of the Federal Register notice concerning the amendments of 10 CFR 9, "Public Records," and 10 CFR 20, "Standards for Protection Against Radiation," which became effective September 1, 1963. You will note that Sections 20.403 and 20.405 of 10 CFR 20 were amended by adding to each item the following paragraph:

"(c) Any report filed with the Commission pursuant to this section shall be prepared so that names of individuals who have received exposure to radiation will be stated in a separate part of the report."

Since your report of September 5 includes the name of the individual who was exposed, you are requested to resubmit promptly the report in compliance with 10 CFR 20.405(c).

Very truly yours,
