Subject: Banco de Sangre – Request for Additional Information RE: COVID-19 Exemption Request

Discussion: I informed the licensee that NRC assigned a mail control number (618804) to the exemption request and asked the licensee to provide:

- 1) What is the status of the facility? Operational or shutdown?
- 2) Specifically, what regulations or license conditions they are requesting relief for
- 3) What compensatory measures they will put into place.
- 4) If an exemption of 90 days will be adequate?
- 5) If leak tests or instrument calibration time periods will exceed 90 days, consider obtaining services from a different vendor.

Action Required: Mr. Velez Duran agreed to send the information by email.
