Bob,

Thank you for your call this morning and the update regarding the NRC license change of control process.

This email is to confirm that David Hess, M.D. (“Dr. Hess”) currently serves as President and CEO of the current license holder, Wetzel County Hospital, by virtue of the Management Agreement with West Virginia University Hospitals, Inc.

Dr. Hess is also the President and CEO of the new license holder, Wetzel County Hospital, Inc. As a result, the leadership overseeing the license will remain the same following the change of control.

Please let me know if you have any questions.

Thank you,
