Dear Dr. Leach:

Thank you for your letter dated August 20, 1996, which responded to the comments and recommendations from the Integrated Materials Performance Evaluation Program (IMPEP) review of the Kentucky radiation control program. We have reviewed the responses and agree that your actions are appropriate. The IMPEP team will evaluate your efforts during the next review of your program.

We appreciate the positive actions that you and your staff have taken and are continuing to implement with regard to our comments. We welcome the constructive approach that you and your staff have used throughout the program review and look forward to our continuing interactions.

Sincerely,
