REPORT OF OVEREXPOSURE - AMERICAN POTASH AND CHEMICAL CORP., WEST  
CHICAGO, ILLINOIS - LICENSE NO. STA-583

Reference a report of overexposure dated May 9, 1963 from subject licensee.

We plan to inquire into this matter at the time of the next inspection of subject licensee. We note that this occurrence is repetitious of two similarly reported on May 9, 1962 and August 1, 1962. Licensee corrective action will be critically analyzed.
