APPEAL OF INITIAL FOIA DECISION

FOIA-85A26E(85-289)

rec'd 5/17/85

Dear Mr. Dircks,

On April 19, 1985, I made a Freedom of Information Act request for all documents generated in preparing Inspection Report No. 50-317/84-27, dated January 25, 1985, for the Calvert Cliffs Nuclear Power Plant. A copy is attached. Pursuant to 10 C.F.R. § 9.8(d), the NRC's response was due May 3, 1985.

The Commission has not responded to my request or notified me that the time for responding has been extended. I am treating that failure to respond as a denial, which I hereby appeal. Please assure that my request is fulfilled immediately or provide a detailed justification for your failure to release the documents in question.

Sincerely,

Diane Curran
