Gentlemen:

This is a request to renew our existing Materials License, Number 34-01572-06, Amendment 17.

This document accurately reflects our existing number, strengths, and types of radioactive sources. We wish to continue to operate under our current license. The last revision to our present license was filed June 7, 1983. We will continue to operate under all applicable Nuclear Regulatory Commission regulations and license conditions.

Enclosed please find our renewal fee in the amount of \$120.00. We believe our renewal fee is determined by Section 170.31-1-j.

For further information, if required, please contact R. G. Heineman, 513/627-5796.

Very truly yours,

R. G. Heineman
