Dear Ms. Stamen:

The letter dated September 20, 2019, containing your revaluation of the Decommissioning Funding Plan (DFP) for NRC License No. 06-00183-08 has been reviewed. The basis upon which the adjustments were made was found to be consistent and logical and in conformance with data from the Bureau of Labor and Statistics. In order to complete the licensing action, the following needs to be provided:

1. A revised Certification of Financial Assurance with the new, approved amounts stated in your DFP, and
2. A revised Schedule A with the new, approved amounts stated in the DFP.

If you require any assistance, I can be reached at 610-337-5075 (work), 484-925-9872 (cell), or by e-mail Steven.Courtemanche@nrc.gov.

Thank you for your patience in this matter.
