Gentlemen:

I am enclosing Commonwealth Edison Company's
Opposition to Admission of Intimidation and Harassment
Issues. This constitutes Applicant's response to the Motion
to Admit Claims of Intimidation and Harassment of Comstock
Quality Control (QC) Inspectors and Motion for Protective
Order of Intervenor's Rorem et al., dated July 12, 1985.
Under the Licensing Board's Order of June 21, 1985, Applicant
was required to respond by a received date of July 19, 1985.

Intervenor's subsequently filed a "Supplement" to
their motions. This document was received by Mr. Miller
of our office yesterday, July 17, 1985. I received a copy
of it this morning. Mr. Gallo did not receive a copy from
Intervenor's, but he received one by telecopy from me today.
