REQUEST FOR NRC CONCURRENCE ON REA FOR GRAND JUNCTION VICINITY PROPERTY

Enclosed are two copies of the Radiological and Engineering Assessment for a property in Grand Junction, Colorado, which is being submitted for your review in accordance with the current understanding between the UMTRA Project Office and your office. This REA has been prepared by Bendix Field Engineering Corporation in accordance with the Final Vicinity Properties Management and Implementation Manual dated June, 1984, and this office has reviewed and endorsed the proposed remedial action. This property is:

DOE ID NUMBER

ADDRESS

GJ-02250-RS

1701 North 20th Street

Review and concurrence of the recommended remedial action in a timely manner would be appreciated so that final engineering may be completed at this location. Feel free to call me at FTS 322-9203 for any further discussion.

Very truly yours,

Michael K. Tucker

Project Engineer
