Gentlemen:

Please accept the renewal for license number 34-11824-02, expiration date March 31, 1985, with the following changes:

1. Delete Mr. Elmer Sparks from the license condition number 12.
2. Add Mr. Wendell Adkins to license as responsible person to use or supervise the use of the model 9200 analyzer. Mr. Adkins is knowledgeable in the safe use of the analyzer and has been using it under supervision for approximately four years.
3. We wish to have the license reflect the storage facility as 617 East Third Street, Dayton, Ohio 45402 when not in use at the stations or other field locations.
4. All other conditions are to remain the same as those stated in license number 34-11824-02.

Thank you for your consideration in these matters. If you have any questions, call John Gornes at 513-227-2589.

John Gornes
