Dear Mr. Carr:

This letter refers to a Freedom of Information Act request for access to documents regarding the antitrust review of the Hatch Nuclear Power Plant.

During the processing of this request, we located one document that originated with the NRC. Therefore, we are referring it to you for a determination of its public availability and a direct response to the requester.

If you have any questions about this, please contact Craig Howie or myself at the following address and telephone number:

Plant Unit 2; NRC Docket Nos. 50-366-A,
50-424-A, 50-425-A, 50-426-A and 50-427-A

Dear Sir or Madam:

This letter is a request under the Freedom of Information Act, as amended, 5 U.S.C. §552.

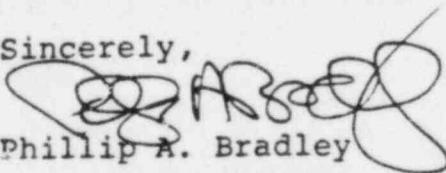

I am writing to request a copy of any and all pleadings, interventions, memoranda, files, settlement agreements, correspondence, license conditions or other documents concerning the above-referenced Dockets.

As you know, the amended Act provides that if some parts of a file are exempt from release that "reasonably segregable" parts shall be provided. I, therefore, request that if you determine that some portions of the requested materials are exempt, you promptly provide me with a copy of the remainder of the documents. I, of course, reserve the right to appeal any such decisions.

If you determine that some or all of the documents are exempt from release, I would appreciate your advising me as to which exemption(s) you believe cover(s) the materials which you are not releasing.

I am, of course, willing to pay the reasonable copying costs in connection with your responding to this request. I await your response and appreciate your consideration.

Sincerely,

Phillip A. Bradley
