Mr. Bruce Mallett
U.S. Nuclear Regulatory Commission
Region III
Materials Licensing Section
799 Roosevelt Road
Glen Ellyn, IL 60137

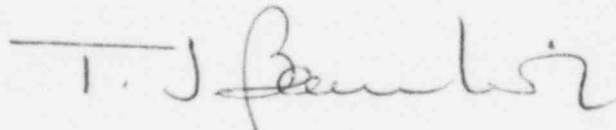

Dear Mr. Mallett:

Enclosed you will please find our application for Material License, NRC Form 313, duly completed according to the instructions.

The securing of the license in as soon as possible is of the utmost of importance to our product development program and anything you can do to expedite the processing of our application would truly be appreciated.

We do realize that this is probably a difficult time to ask for special consideration, however we can only stress that your earliest attention is critical to us.

Thank you in advance.
