Gentlemen:

Enclosed is a Federal Emergency Management Agency report evaluating the remedial drill conducted in the state of Iowa to address the offsite Category A deficiency identified during the exercise conducted October 24, 1984. The report states that the deficiency has been corrected as evidenced by the remedial drill and related actions.

Please continue to cooperate with state and local officials as necessary to support offsite emergency plans and preparedness.

Sincerely,

Original Signed By  
E. H. Johnson
