Region II

Attn: Mr. James P. O'Reilly, Regional Administrator
101 Marietta Street, NW, Suite 2900
Atlanta, Georgia 30323

Dear Mr. O'Reilly:

SEQUOYAH NUCLEAR PLANT UNITS 1 AND 2 - NRC-OIE REGION II INSPECTION REPORT
50-327/84-31 AND 50-328/84-31 - RESPONSE TO VIOLATIONS

The subject OIE inspection report dated November 14, 1984 from
J. A. Olshinski to H. G. Parris cited TVA with two Severity Level IV
Violations and one Deviation. A response to the items of violation and a
response to the deviation item identified in the subject inspection report.
was provided to you by the December 18, 1984 letter from J. A. Domer.

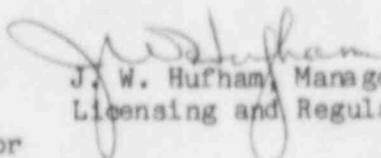

However, the cover letter inadvertently and erroneously identified the
report as 50-327/83-31 and 50-328/83-31. Please make note of this change.

If you have any questions, please get in touch with R. H. Shell at
FTS 858-2688.

To the best of my knowledge, I declare the statements contained herein are
complete and true.

Very truly yours,

TENNESSEE VALLEY AUTHORITY

J. W. Hufham, Manager
