SUBJECT: Marble Hill Nuclear Generating Station, Units 1 and 2

Dear Mr. Denton:

In keeping with the intent of Public Service Company of Indiana, Inc. (PSI) to keep you informed of significant changes in the quality assurance program, PSI has returned its Certificate of Authorization No. N-2456 and the attendant Code "N" Symbol Stamp to the American Society of Mechanical Engineers (ASME). As a result of this action, PSI will be rescinding its ASME quality assurance program.

The project quality assurance program implemented by the Project Quality Assurance Manual (PQAM) will remain in effect until further notice.

Please advise me if you have any questions.

Sincerely,
