Gentlemen:

This is in reference to your letter, dated July 25, 1984, to amend Byproduct Material License No. 12-18044-01MD. In order to continue our review, we need the following additional information:

The facility diagram you provided with this amendment request does not appear to represent your facility at the time of the NRC special inspection of November 19, 1984. Please resubmit this diagram so that it represents the most recent configuration of your hot lab.

We will continue our review of your application upon receipt of this information. Please reply in duplicate within 30 days and refer to Control No. 77191.

Sincerely,

William J. Adam
