Dear Mr. Brown:

Thank you and all of those who attended the meeting on Wednesday, November 20, 1996. It was a good meeting and a pleasure to meet all of you in person. As promised, attached is a copy of our Final Audit Procedure, ING003.

I also want to assure you that our wipe test records, in the clean room, for the last few years have been found acceptable and no measurable contamination was detected.

Please do not hesitate to contact me, if you have any additional questions.

Sincerely,
