Mr. James G. Keppler
Regional Administrator
U.S. Nuclear Regulatory Commission
Region III
799 Roosevelt Road
Glen Ellyn, IL 60137

Dear Mr. Keppler:

You are invited to a dinner/meeting of all Emergency Plan off-site support agencies on October 16, 1985, at 5:30 pm to discuss your role in our plan. The meeting will be held at the Shamrock Inn in Cordova, IL. If you have any questions or will be unable to attend this meeting, please contact Harm Toren at (309) 654-2241 ext. 269.

In addition, we will be offering a radiation protection and safety training class to interested individuals on October 17, 1985, at 8 am. Please indicate below if you would be interested in attending such a class so we will have some idea as to how many people to expect. Send responses to:

Harm Toren
Station Emergency Plan Coordinator
Quad-Cities Nuclear Power Station
22710 - 206 Ave. North
Cordova, IL 61242

Sincerely,

N. J. Kalivianakis

N. J. Kalivianakis *JKR*
Station Superintendent

I am interested in attending the radiation protection class:
