RESPONSE SHEET

TO: John C. Hoyle, Secretary

FROM: COMMISSIONER DIAZ

SUBJECT: SECY-96-261 - MEMORANDUM OF UNDERSTANDING  
BETWEEN THE DEPARTMENT OF ENERGY AND THE  
NUCLEAR REGULATORY COMMISSION FOR  
COOPERATION IN SUPPORT OF SIGNIFICANT  
PROJECTS AND ACTIVITIES

COMMENTS:

The new MOU will provide an up-to-date handy source for general guidance and reference as the agencies explore possibilities for useful interaction on significant activities and projects.

After approval and execution of the new MOU, the staff should consider whether the existing MOU between NRC and DOE of February 24, 1978, should be revised so as to eliminate redundancy and preserve more concisely special features of that MOU.
