MEMORANDUM FOR: George Messenger, Acting Director
Office of Inspector and Auditor

Ben B. Hayes, Director
Office of Investigations

Herzel H.E. Plaine, General Counsel

FROM: Samuel J. Chilk, Secretary

SUBJECT: STAFF REQUIREMENTS - DISCUSSION OF
INVESTIGATION AND POSSIBLE ENFORCEMENT
ACTION, 9:30 A.M., TUESDAY, JULY 31, 1984,
COMMISSIONERS' CONFERENCE ROOM, D.C. OFFICE
(CLOSED--EX. 5 AND 7) (PART II - OI AND OIA
ONLY)

The Commission was briefed on the status of recent OIA information developed during their investigation at Grand Gulf.

OIA and OI will continue the investigation into the matter.

OIA noted that it might be necessary to advise Congress that new information makes it necessary to correct previous information given to Congress. The Commission agreed that this should be done promptly, if necessary.

MEMORANDUM FOR: William J. Dircks, Executive Director
for Operations

George Messenger, Acting Director, OIA

FROM: Samuel J. Chilk, Secretary

SUBJECT: STAFF REQUIREMENTS - DISCUSSION OF
INVESTIGATION AND POSSIBLE ENFORCEMENT
ACTION, 9:30 A.M., TUESDAY, JULY 31, 1984,
COMMISSIONERS' CONFERENCE ROOM, DC OFFICE
(CLOSED-EX. 5 AND 7) (PART I - OI AND EDO)

The Commission was briefed by the staff on their preliminary views regarding possible enforcement action against Mississippi Power and Light Company for violations involving material false statement.

The Commission requested that OGC respond to the petition from Jacksonians United for Workable Energy Policies based on input from OIA.

(OGC/OIA) (SECY SUSPENSE: 9/7/84)

The Commission requested the staff to examine the contents of a letter from Congressman Markey on July 30, 1984 and consider them in a proposed enforcement action if appropriate. The staff indicated that it would submit a recommended enforcement package to the Commission in 2-4 weeks.

(EDO) (SECY SUSPENSE: 9/4/84)

Commissioner Bernthal asked that he be provided with a broader summary of the comments made by Mr. DeYoung reflecting on the generic difficulties of licensees and utilities' understanding and carrying out the details of their license and technical specifications.
