By letter dated November 4, 1983, you responded to Generic Letter 83-28 with regard to required actions based on generic implications of Salem ATWS events. Based upon input from our contractor, Idaho National Engineering Laboratory, we have reviewed your response to Generic Letter 83-28, Items 4.2.1 and 4.2.2 and find that we need additional information to complete our review. Enclosed is our evaluation of Items 4.2.1 and 4.2.2 which outlines the requested additional information.

In order to preserve our present review schedule, the staff needs the additional information within 60 days. We request your cooperation in meeting this schedule.

This request for additional information was approved by the Office of Management and Budget under clearance number 3150-0011 which expires September 30, 1985. Comments on burden and duplication may be directed to the Office of Management and Budget, Reports Management Room 3208, New Executive Office Building, Washington, D. C. 20503.

Sincerely

Original Signed by
