

Material Licensee Temporary Exemptions During the COVID-19 Public Health Emergency

05/07/2020

This table provides a list of 10 CFR Part 30 requirements for the which the NRC may consider expedited requests for temporary exemption. Licensees may seek a temporary exemption from these requirements to address the challenges licensees may face during the COVID-19 Public Health Emergency (PHE). This table may be updated as the NRC identifies additional requirements for which the NRC may consider expedited requests for temporary exemption.

| Reg. | Description of Exemption |
|---|--|
| 10 CFR 30.34 Terms and conditions of licenses | |
| 30.34 | The license condition requiring that a physical inventory be performed every 6 months |
