Gentlemen:

This refers to the inspection conducted by Mr. H. D. Chaney of this office during the period June 24-28, 1985, of activities authorized by NRC Construction Permit CPPR-145 for the River Bend Station, and to the discussion of our findings with Mr. J. Deddens and other members of your staff at the conclusion of the inspection.

Areas examined during the inspection included the radiation protection program, TMI action items, and radiation protection activities related to the emergency preparedness program. Within these areas, the inspection consisted of selective examination of procedures and representative records, interviews with personnel, and observations by the inspector. These findings are documented in the enclosed inspection report.

Within the scope of the inspection, no violations or deviations were identified.

Should you have any questions concerning this inspection, we will be pleased to discuss them with you.

Sincerely,

Original Sign
E. H. Johnson
