ATTN: Mr. Nathan Bassin
Office #9111

Dear Mr. Bassin:

This is to confirm our phone conversation of Friday, June 13, 1975, in which I requested a meeting with your office to review plans for Mallinckrodt's new radiopharmaceutical research and development laboratories to be built in St. Louis County. The laboratories will be on a separate site from our nuclear production facility at Maryland Heights, Missouri.

We will meet with you on Monday, June 23, 1975 at 1:00 PM in office #9111, at the above address. Looking forward to meeting with you.

Sincerely,

Richard P. Anth
