Gentlemen:

SUBJECT: CONFIRMATION OF MEETING ARRANGEMENTS - E. I. HATCH AND A. W. VOGTLE  
SALP MEETING

This confirms the telephone conversation between Mr. L. Gucwa of your staff and Mr. V. Panciera of my staff concerning a management meeting to be held at your corporate offices on November 4, 1985. The time of the meeting was established as 1:30 p.m. This meeting will be open to the public. A proposed meeting agenda is enclosed.

We requested this meeting to review the results of our Systematic Assessment of Licensee Performance (SALP) program for your Hatch and Vogtle facilities. This program involves an appraisal of your regulatory performance by selected NRC managers. Your regulatory performance was evaluated for the period of November 1, 1983, through June 30, 1985. The results of this evaluation, the SALP Board Report, will be forwarded to you approximately two weeks prior to our meeting.

Should you have any questions regarding these arrangements, we will be pleased to discuss them.

Sincerely,

Original signed by J. N. Grace

J. Nelson Grace  
Regional Administrator
