Gentlemen:

This refers to the inspection conducted by Mr. J. E. Bess of this office during the period September 9-13, 1985, of activities authorized by NRC Construction Permit CPPR-128 for South Texas Project Unit 1, and to the discussion of our findings with Mr. D. Bohner and other members of your staff at the conclusion of the inspection.

Areas examined during the inspection included the review of procedures pertaining to the receipt, storage, installation and maintenance of electrical components and equipment. Within these areas, the inspection consisted of selective examination of procedures and representative records, interviews with personnel, and observations by the inspector. These findings are documented in the enclosed inspection report.

Within the scope of the inspection, no violations or deviations were identified.

Should you have any questions concerning this inspection, we will be pleased to discuss them with you.

Sincerely,

Original Signed By  
E. H. Johnson

Eric H. Johnson, Chief
